

GAIA Seminar

On A Spontaneous Student Workshop on Complex Geometry

👉 Workshop schedule:

Saturday, 13 April 2013

10:30 a.m. **Seung Jea Lee** (POSTECH),

On the symmetrized bidisc and its convexifiability

2:00 p.m. **Seungro Joo** (POSTECH),

On the Extension theorems by Henkin/Vormoor/Range

3:30 p.m. **Sung-Min Yoo** (POSTECH),

On the Lu Qi-Keng radius

This workshop features the "talks-in-preparation". People are welcome to just drop in for this casual discussion-presentation.

- **Organizer:** Professor **Kang-Tae Kim**.
- **Place :** Room **106**, Math Science Bldg. (At the Seminar Room of The **GAIA**)
- **Contact :** Ji Hye Jung (jhj617@postech.ac.kr/054-279-8020)
